**PUEBLO OF LAGUNA
GOVERNOR'S OFFICE**

Dear Governor Early:

The Jackpile-Paguate Environmental Impact Statement has been progressing steadily for several months, and I believe this is an excellent time for me to brief you and the Tribal Council on the direction we are headed, and the problems that have arisen.

I have discussed the EIS with Ron Solimon of your office several times, but I believe direct contact with you is essential. The opinions and concerns of the Pueblo are extremely important to the preparation of the EIS, and I am anxious to maintain close contact with the Pueblo.

If the Pueblo desires a briefing, please contact me.

Sincerely yours,

Marc E. Nelson
